PRIMA Foundation - Prof. Angelo Riccaboni renewed as Chair of the PRIMA Foundation Board of Trustees

After the first successful three years, Angelo Riccaboni has been confirmed as Chair of the PRIMA Foundation Board of Trustee for two additional years.

The Italian representative in the Board of Trustee expressed with a formal letter to all the colleagues his availability for the renewal of the current mandate. The Trustees unanimously approved his candidacy, recognizing his endeavour commitment in valorising the principle of equal footing, in promoting research and innovation, in ensuring a large involvement of most relevant stakeholders and national communities, as well as in fostering positive synergies with major the initiatives and institutions.

Congratulations to the Chair Prof. Angelo Riccaboni who inspiringly commented: “I’m honoured of the support that EuroMediterranean governments have given to the renewal of my mandate. I confirm my commitment to PRIMA and, in line with what has been achieved so far, I will engage myself with even greater determination in aligning PRIMA to Agenda 2030, the post Covid scenario, the new EU Horizon Europe Programme and the ‘Farm to Fork strategy’, with the aim of giving a small contribution to address the challenges that the Mediterranean region and our societies are facing”.

The PRIMA programme is an Art.185 initiative supported and funded under Horizon 2020, the European Union’s Framework Programme for Research and Innovation.
