PROCEDURE TO SIGN THE GA

b. Other documents

Consortium agreement:

- Complement the grant agreement.
- No provisions against the grant agreement.
- PRIMA is not involved.

PROCEDURE TO SIGN THE GA

c. Amendments

Article 55 GA

"The Agreement may be amended, unless the amendment entails changes to the Agreement which would call into question the decision awarding the grant or breach the principle of equal treatment of applicants."

GENERAL INFORMATION

a. Some usual doubts

How can the beneficiaries use third parties or subcontractors to implement the action granted?

- May cover only a limited and non essential part of the action
- Ensure best value for money on the selection of the third party/subcontractor
- Avoid conflict of interests
- Subcontracting between beneficiaries is not allowed
- Estimated costs and tasks must be identified in the budget and in Annex 1
- The consortium retains the sole responsibility for work and the costs declared; if something goes wrong with the third party or subcontractor, the consortium will be responsible in any case.

GENERAL INFORMATION

b. How is the PRIMA GA?

- PRIMA uses the H2020 template for the multi-beneficiary grant agreement, adapted to our organization.
