In particular, two winners will be selected, by the evaluation jury, for their achievements.

The prizes are monetary and each of the two winners will receive EUR 10 000.

The prizes will be awarded by PRIMA during the Workshop entitled "The way forward on research and Innovation in the Mediterranean Region" to be organised back-to-back to the Euro-Mediterranean Ministerial Conference on Research and Innovation. This workshop is a platform for discussion at the technical level on research and innovation opportunities within the Euro-Mediterranean Region, bringing together academics, policy-makers, industry, key stakeholders. Specific attention will be given to the alignment of research scaling-up of R&I actions and knowledge transfer. The workshop would be ideal for exchanging best practices and lessons learned

The PRIMA Nexus Award will provide the winner of each of the two Prizes, with high visibility in the form of public interest and increased media coverage.

PRIMA will further promote the winner of each of the two Prizes, by inviting them to provide testimony at other major events.

### 1.2 Expected results
