Challenge

Small scale farming systems are the backbone of the Mediterranean farming system with an overwhelming contribution to the global food supply. However, many of the rural economies and smallholder farmers communities are struggling to sustain production, as low incomes, unsustainable and inefficient practices, lack of market connections and limited access to information are affecting their livelihood. Fragmentation of the markets, inefficient farming practices, older age group of farmers, the disconnection between youth and their interest in agriculture are enhancing land abandonment and degradation, output quality and productivity, transparent and efficient access to markets (especially new markets based on e-commerce) and lack of valorisation of waste generated at farming level. Many organisational aspects made to support farmers, that was brought in the 20th Century, did not evolve to meet the current market demands, including the current models of cooperatives and associations that need uplifting. There is a significant need to have proper governance, less corruption, improved market intelligence, the introduction of innovative approaches in sustainable practices, market development, investment and

To access the Electronic submission website
Active 1 month before the deadline

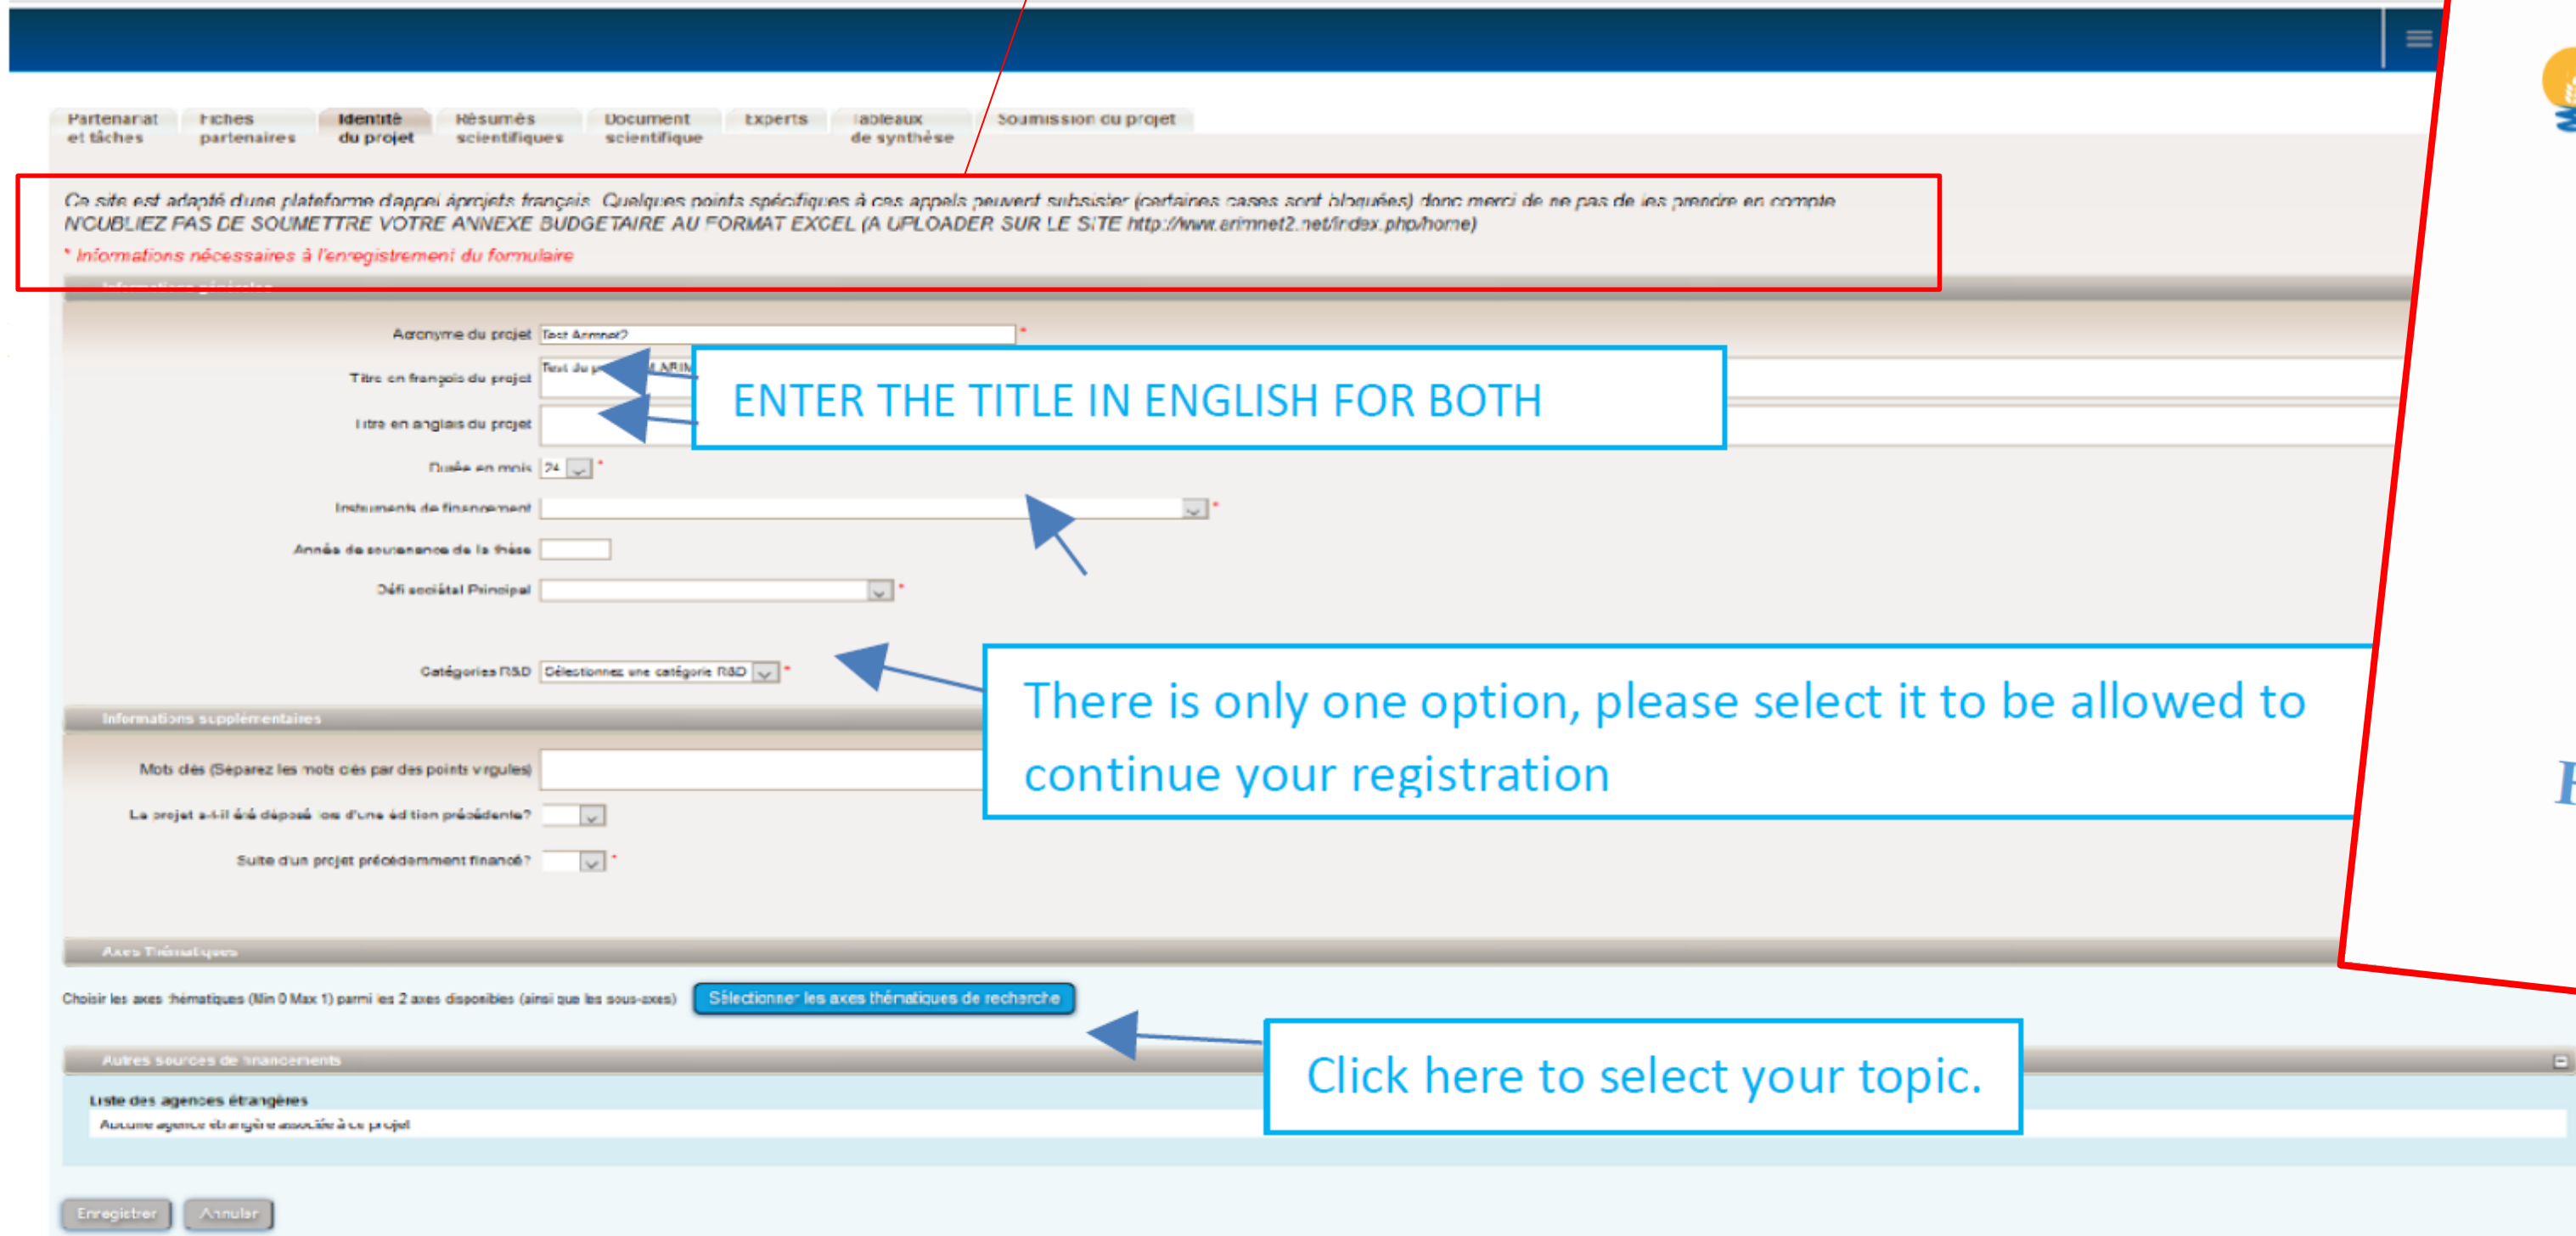

Start the submission process on the ANR platform

The screenshot shows the 'Authentication Page' of the ANR platform. It features two input fields: 'Email address' containing 'johann.muller@agencerecherche.fr x' and 'Password' with masked characters. A 'Validate' button is positioned below the password field. A blue arrow points from a box labeled 'Insert Email Address' to the email field, and another blue arrow points from a box labeled 'Insert Password' to the password field. A yellow arrow points from a yellow box at the bottom right, labeled 'In case you forget your password...', to a blue link that reads 'Forgotten password / Generate a new password'. Below the authentication fields, there is a paragraph of text: 'To submit a new proposal, please go to the Call page on the [ANR website](#). For any information, please contact the person in charge of the Call: [Contacts](#)'. This is followed by a 'Remarks' section with a bulleted list: 'This website is designed for a 1024x768 screen resolution (Full Screen)', 'The application is optimized for Internet Explorer (up to IE10) and Firefox.', 'Cookies and JavaScript must be enabled.', and 'We advise you to allow popups from your browser settings.'. At the bottom, there is a section titled 'Message to experts and committee members' with the text: 'If you already have an account (as proposal coordinator, partner...), you must use the same login/password. If you have not received or if you have lost your password, you can generate a new one via the link "Forgotten password" located on this page.'
